9:00 A.M.**

The following Fountain County Commissioners were present at the meeting: Brenda Hardy and Tim Shumaker. Aaron Fruits was out of town.

WEGA – Wabash Economic Growth Alliance

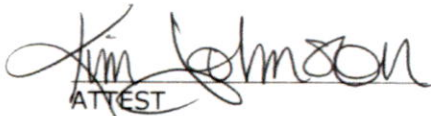

Tim Shumaker stated that they are very proud of what WEGA has done in the County and we still back them 100%. It's not working out in the County for the County. It has benefited Attica mostly but that is where the projects all started. What we are going to do today is not affect anything to do with any of the current contracts awarded in Attica or Covington.

Tim Shumaker made a motion to resolve the Fountain County WEGA agreement and give them their one-year notice, which is required by contract. Brenda Hardy seconded the motion. Vote: 2-0
