

**MINUTES
FOUNTAIN COUNTY DRAINAGE BOARD
FEBRUARY 1, 2021 AT 10:30AM**

The following Fountain County Drainage Board members were present:
Brenda Hardy, Andrew Hall and Tim Shumaker.

Others in attendance were Colleen Chambers, Kent Minnette, Bonnie Nix and Roger Azar.

Roger Azar – Deckard Engineering

He asked the Commissioners if they wanted to consider having a Drainage Board consisting of a Commissioner and residents of the County. It would consist of 5 members. Roger would be the Technical advisor and have no vote on what they decide, just make recommendations.

It was decided that they would keep the board the way it is for 2021 and revisit putting a board together for 2022.

Roger gave updates and recommendations on how to proceed to put maintenance schedules and a plan in place to continue with the updating of the County Drains. He asked permission to continue his annual retainage of \$25,000 a year to continue working with the County to make recommendations and maintain/repair the drains. The Commissioners agreed.
